Website Cookies Policy

What are cookies?

Cookies are small data files placed on your computer or internet enabled device by websites in order to add functionality. A cookie can be used to identify a user's computer or internet enabled device to the website, or to other third party websites. This allows websites to improve the way they work, such as remembering preferences expressed by a user or tracking a user's use of a website for statistical analysis.

What types of cookies are used on this site?

The following types of cookie are set on this website (the "**Website**"):

- Strictly necessary cookies;

- Functionality cookies;

- Performance cookies; and

- Targeting/Advertising cookies.

These cookies are a mixture of first party cookies, which we set ourselves, and third party cookies that are set by third party service providers.
